

$$1 + 1 =$$

$$1 + 1 = 2$$

$$1 + 2 =$$

$$1 + 2 = 3$$

$$1 + 3 =$$

$$1 + 3 = 4$$

$$2 + 2 =$$

$$2 + 2 = 4$$

$$3 + 2 =$$

$$3 + 2 = 5$$
Three red gift boxes and two green gift boxes are arranged to illustrate the equation 3 + 2 = 5. The red boxes are on the left, and the green boxes are on the right.

$$3 + 3 =$$

$$3 + 3 = 6$$
Three red gift boxes and three green gift boxes are arranged to illustrate the equation 3 + 3 = 6. The red boxes are on the left, and the green boxes are on the right.

$$4 + 2 =$$

$$4 + 2 = 6$$
An illustration showing four red round gifts with gold ribbons and two green square gifts with white ribbons, arranged to represent the sum of 4 and 2.

$$5 + 5 =$$

$$5 + 5 = 10$$
An illustration showing five red round gifts with gold ribbons and five green square gifts with white ribbons, arranged to represent the sum of 5 and 5.

$$6 + 1 =$$

$$6 + 3 = 9$$

$$7 + 2 =$$

$$7 + 2 = 9$$

$$8 + 2 =$$

$$8 + 2 = 10$$

$$9 + 1 =$$

$$9 + 1 = 10$$
